

The Carpentersville Police Department in conjunction with the United States Department of Homeland Security is promoting **READY AMERICA**. This program stresses the importance of being prepared, having a plan and staying informed during natural disasters and times of local or national crisis. No matter if you are an individual, business, or child-you can be **READY AMERICA**. Please visit <http://www.ready.gov/> or contact Community Resource Officer Michael Salvaggio for further information. The Carpentersville Police Department has numerous program handouts and information to help you prepare for emergency situations. September is National Preparedness Month-So Let's Be **READY AMERICA!**
