

CARPENTERSVILLE IMPROVEMENT COMMITTEE  
MISSION STATEMENT

\*\*\*\*\*

The Carpentersville Improvement Committee pledges to assist residents to understand the importance of property maintenance as it pertains to the general welfare, safety and aesthetics of our community.

Our objective is to preserve existing housing through code enforcement activities and preventative maintenance programming. We are committed to research all avenues of county, state and federal financial resources and to assemble these along with local resources to educate and aid our residents in improving their neighborhoods.
