SPRING ACRES HILLS NEIGHBORHOOD WATCH

THE BASICS OF NEIGHBORHOOD WATCH

- Watch groups are **NOT** vigilantes. They are extra eyes and ears for reporting crime & helping neighbors. Neighborhood Watch helps build pride and serves as a spring-board for efforts that address community concerns such as beautification and disaster preparedness.
- Any community resident can join—young or old, single or married, renter or homeowner. There is no cost to join.
- Participants learn how to make their homes more secure, watch out for each other and the neighborhood, and report activities that raise suspicions to the Police Department.
- Volunteer residents organize our Neighborhood Watch (NW). Our neighborhood chair stays in contact with the police and keeps track of neighborhood documents. Each block of approximately 12-15 homes has a captain who distributes information and acts as a point person.
- Our NW stays active by holding periodic meetings, and coordinates the annual beautification day, and also start to have more social events such as cookouts or other fun events.
- The Spring Acres Hills NW mainly communicates through emails and an email list/website. To join, go to <http://groups.yahoo.com/group/sahnw/>

Things That Should Alert You

- Someone looking into windows and parked cars.
- Unusual noises i.e. screaming or shouting for help
- Property being taken out of closed businesses or houses where no one is at home.
- Cars, vans or trucks moving slowly with no apparent destination, appearing repeatedly, or without lights.
- Anyone being forced into a vehicle.
- A stranger sitting in a car or stopping to talk to a child.

How To Report A Crime

Call the appropriate number, either 9-1-1 for emergencies or 847-551-3481 for non-emergencies.

- Give your name and address. (There is also an anonymous crime tip line, 847-551-3488, if you prefer not to be identified.)
- Briefly describe the event: what happened, when, where & who was involved.
- Describe the suspect's sex, race, age, height, weight, hair color, clothing, & distinctive characteristics, such as a beard, mustache, or scars.
- Describe the vehicle if one was involved: color, make, model, year, license plate, & special features such as stickers, dents or decals.
- **THE MORE INFORMATION YOU COULD PROVIDE, THE BETTER.**
